Lester Snow
Executive Director, CalFed
1416 Ninth St.
Sacramento, CA 95814

Dear Mr. Snow,

I support CalFed's proposed restoration goals for the Central Valley, including removing some facilities such as the Bridgebright dam, that act as barriers to migrating salmon, acquiring important riparian habitat, and increasing instream flows for fish, wildlife and recreation.

We cannot solve the ecological problems caused by dams and diversions, by building more dams and diversions.

Thank you for your time and consideration.
I look forward to hearing your position on this issue.

Sincerely,

David Murphy,
